# EXHIBITOR PROFILES

## Pet Praise

will be offering their holistic training services to those who have pets struggling with undiagnosed problems. With 15 years experience in the veterinary industry, Pet Praise noticed the stress and anxiety pet owners feel when there isn't a diagnosis to be fixed; thus Pet Praise (<https://www.petpraisebehaviour.com>) was born with a goal in mind to provide answers and assistance in what can be a very stressful time.

We're so excited to have a wonderful Wollongong business as a part of this very first pet festival.

### **FREE PET BEHAVIOURAL CLASSES**

**Saturday 25th** - 10am, 12pm & 1:30pm.

**Sunday 26th** - 10am & 12pm only

*Register your interest on-site (limited spaces available)*

## Live Reptile Displays

whether curiosity, or caution, reptiles always captivate a crowd and put on a show for all to see, and here in Australia we have one of the widest and most diverse range of fauna in the world. This is one of those rare treats that's as educational as it is fun.

**GAP (Greyhounds as Pets adoption service):** this phenomenally important organisation will be on-site providing their comprehensive support in the adoption process for Greyhounds.
